David,

As you know, my priority is to focus on downtown San Pedro. I was hoping you could reach out to Sacramento and inquire about the status of the old courthouse building. I believe that the revitalization of the downtown area depends on it and I think if we could build a small lifestyle center there it would affect the surrounding businesses and the perception of the downtown area.

I look forward to continuing this dialogue and I urge you to put some pressure on Sacramento on releasing this property. This is a very high priority for me and I would appreciate any assistance your office can provide.

Thank you for your assistance.

Best regards,

Lorena Parker
